Cricketing Times...

Chilmark Cricket Club's progress this season is being recorded with humour and aplomb by Aussie team member-cum-scribe Brand King, of EHD wine storage. We look forward to reading his reports of the team's Isle of Wight 'tour' later this month – we suspect no blushes will be spared. To catch his match reports for the season so far, and for upcoming fixtures, visit the following link on the Reading Room website: chilmarkreadingroom.co.uk/pages/events

Welcome to the June issue of The Village Voice

With less than three weeks to go to the longest day of the year, summer is finally underway in Chilmark and there's plenty to look forward to. Not least is the return of Chilmark Church Fete in the grounds of The Old Rectory, after a year 'off' in 2015. Fete day this year will be Saturday 18th June and the event will include activities and stalls set to appeal everyone - see page 4 for details. The following week will see stand-up comedian Dominic Holland take to the stage in the Reading Room on Friday 24th June. Familiar to many for his countless television and radio appearances, Dominic is coming to Chilmark courtesy of Rural Arts Wiltshire – see page 5 for details. We may all be in need of some light relief by then, following the EU Referendum the day before.

Looking back, summer celebrations in the village got off to a flying start with a Tea Party to mark the Queen's 90th Birthday. What seemed like a record number of people, young and old, packed the Reading Room for an afternoon of festivities. A terrific variety of Crowns were on display for the Best Crown competition and Sophie Eden provided a wonderful musical accompaniment. An appearance by some Royal 'Dorgies',

courtesy of the Best Crown judge Lady Margadale, added to the fun of the occasion.

We hope June brings you happiness as well as some good weather!

Parish Council News

To read the latest minutes and future agendas:
www.southwilts.com/site/chilmarkparishcouncil/

Vehicles travelling through the village of Chilmark to the EHD site EHD have said that they are doing all they can to prevent vehicles from travelling through the village of Chilmark on their way to and from the commercial site. However in the event that a van is seen in the village they would appreciate help from residents by noting the vehicle registration number and the name of the supplier from the side of the van. Could you please pass these details, plus where and when the siting took place, to a member of the Parish Council or the Clerk by email: jenny.macdougall@outlook.com or to EHD direct on 01722 273128. We hope that together we can reduce the impact on the village.

Highways Maintenance

£1m has been set aside by Wilts Council to reintroduce the Parish Steward Scheme that the Parish Council will be able to access in due course. It is expected that one Parish Steward will be made available to be shared by several parishes. A timetable of visits will be drawn up by Wiltshire Council and the Parish Council will prioritise the tasks which need to be completed during the visit. More information will follow as the scheme start-date draws near. There used to be a similar scheme and the Parish Steward or Highways Engineer was called the Parish Lengths man. This system worked well. He was often seen beside the road with a brush and spade clearing gullies, drains and signposts. The implements will no doubt be more high tech now and less time allowed for the job. However all statutory and safety issues associated with roads, such as potholes, will need to be reported on the "My Wiltshire" App. Please be aware that residents as well as Parish Councillors can use this system to make a report.

Low flying helicopters

A complaint has been received about the noise from apache helicopters exercising over the village and this has been registered with the MOD.

The Defibrillator and the Response Team

Some 12 Chilmark residents took advantage of the Free First Aid Training & Defibrillator familiarisation sessions organized by the South West Wilts Area Board during May. The St John Amulance training covered essential resuscitation techniques for adults and children. A date will now be set for the 'trainees' to meet up in the Reading Room to ensure they are all familiar with the Chilmark defibrillator. For more information please contact Tim Barter on 716187 or Sarah Miller on 717473.

Date of the Next Parish Council Meeting

This will be held on Wednesday 13 July at 7pm in the Reading Room.

Queen's Birthday Tea

Congratulations to everyone who produced such imaginative crowns for the Queen's 90th Birthday Tea Party in the Reading Room on Saturday 14th May. A terrific turnout of people enjoyed delicious cucumber and egg sandwiches, scones and cream and countless varieties of cake, all set to a wonderful musical accompaniment by Sophie Eden at the keyboard. Thanks to fine weather, we were able to use the Reading Room patio for the Best Crown competition, kindly judged by Lady Margadale. The winning crown makers were Patrick Middleton in the Adult section and Kitty Morris in the Juniors. Many thanks to everyone who so generously provided cakes and/or raffle prizes. It was too good to see lots of happy faces celebrating such a special occasion.

The Village Voice

Chilmark Cricket Club

Chilmark Cricket Club played four games since the Village Voice last graced your in/letter boxes. They went like this...

At home to Earlstoke 1st May. Jack Stearman (50*) was the star of the show, with handy contributions from Brand King (28), David Ulliyot (25) and Reg Allen (20) also.

Earlstoke struggled in their reply, with Darren Lee (2-17), Archie Small (2-24) and Patrick Craig-McFeely (2-4) the chief destroyers.

Chilmark CC 164-7 defeated Earlstoke CC 83 all out

Away at Fonthill 4th May. This T20 fixture saw Fonthill post a very competitive 166 from their 20 overs. For Chilmark Max Allen took an excellent catch on the boundary and Paul Butler (1-28) bowled an effective spell.

Chilmark's chase was steady for the first ten overs, but as wickets started to fall the rate grew out of reach. Brand King (37), Jason Stearman (22) and Pete Stevens (17*) made handy contributions, but ultimately the task was too great.

Fonthill CC 166-3 defeated Chilmark CC 130-4

At home to The Authors 6th May. The best game of the month saw Chilmark host a team of mildly famous authors in a T20 fixture. The esteemed opposition proved the bat is as mighty as the pen by plundering 165 from their 20 overs. Brett Allen (1-23) was Chilmark's best bowler.

In reply Darren Lee (26) hit early runs, but it was an excellent innings by Jack Stearman (41*), with help from Brand King (54) who steered the team to the brink of victory. In an exciting denouement Chilmark required seven from the final over, but were tied down by some excellent bowling.

The Authors CC 165-2 defeated Chilmark CC 162-4

At home to The Lobsters 15th May. A devastating spell of slow bowling saw Reg Allen (4-27) tear through The Lobster's top order, while 'keeper Ollie Clayton claimed three stumpings. George Fry (2-30) and M Chalavatzis (2-10) chipped in also.

Chilmark lost early wickets, however Jon Hodgson (68) was in dazzling form. Late hands by Pete Corbin (17) and Brand King (22*) helped Chilmark to the win with seven overs remaining.

Chilmark CC 153-6 defeated The Lobsters CC 152-9

Isle of Wight Tour

For only the second time in the club's history Chilmark are sending a team 'overseas' to play three matches on the Isle of Wight from 17th - 19th June.

Expectations are high for an enjoyable weekend with the first match (T20) being played at the County Ground on Friday evening in what promises to be a tough fixture. However, being the elite athletes that

CCC 1st XI are we expect a strong showing, not only on the pitch but also in the clubhouse afterwards.

The other fixtures are allegedly against more equal opposition, but it remains to be seen if our middle-aged band of warriors are up to the task. Watch this space!

Chilmark and Fonthill Bishop School

Chilmark and Fonthill Bishop School is enjoying an exciting term! The year 6s have been working hard for their recent SATS, and were fantastically calm throughout exam week. We know they will have done their very best!

We are all enjoying many new clubs including Gymnastics, Martial Arts & looking forward to other new clubs starting soon – Yoga, Science and Running.

With half term behind us, our new Head Teacher Mr Smith will be holding a Parents Curriculum Evening to talk about marking, assessment and the way the new curriculum differs from the old. Mr Smith will be explaining the school's new systems for sharing progress so parents can better understand and support their child's learning.

We are all looking forward to helping to support the village's Church Fete on Saturday 18 June. Mr Smith is delighted to be opening the Fete, but is slightly less enthusiastic about having wet sponges thrown at him in the Human Stocks! We will be Maypole dancing, running the Ladder Game and the Pimms Stall too!

We would like to invite the village to join us for our Musical Evening on Wednesday 29 June at the school – refreshments will be provided. The children wanted to perform to the whole village, so please come if you are available; we will start at 6pm and end at about 7pm.

We are also looking forward to our own Summer Fayre on Saturday 2 July 1-4pm at the school. Do come and join us for a fun afternoon of sideshows, games, ice creams and much much more!

School Runners unite!

Chilmark & Fonthill Bishop Primary School will soon have its own running club, thanks to the combined efforts of head teacher Adam Smith and parent Tobin Gordon. "We will be filling the lanes with small children in HiViz tops, and associated running kit," says Mr Smith. It will be lovely to get the children out and about so if you see the running club in the village please wave and say hello."

In advance of the club's launch, and coincidentally, Mr Smith and Mr Gordon found themselves face to face in an unofficial Parent v Teacher race across 14 miles of hills, trails and mud of Wiltshire's Rushmore Estate, on a Sunday morning in May. The event was the **Ox Half Marathon**, organized by White Star Running. So, who would be the victor?!

As told by 'Parent' Tobin:

'A pre-race meeting was held at the official race bacon butty van where both participants tried to get the measure of each other. Excuses were got in early, with each claiming that they would be "taking things easy", "starting from the back of the pack", "walking the hills" or "in training for other races". In the event, both runners pushed their way to the front of the pack for the start. So, Race On!

'It soon became clear that any thoughts of this being a gentle run in the country went straight out the window. The pace was flat out. Smith made it look easy and soon built up a lead. Gordon, who is always slow through the first miles, was hanging on. The first climb saw Smith pick up the pace but true to his word, was walking by the time Gordon got him in his sights at the top of the hill and the first aid station. Smith arrived with a narrow lead and was first out, whooping and hollering as he belted down the hill to Ebbesbourne Wake...'

As told by 'Teacher' Smith:

'My cunning plan was to walk every hill then, suitably refreshed, run the flats. The down hills I planned to sprint at dangerous speeds but the result, as long as I did not die, would be worth it.

'The race itself was a little like the Tortoise and the Hare, we kept pulling away then pulling the other back, as well as sometimes forgetting to race each other. We had lots of nice chats as we jogged along. Like all good races, the end was dramatic and would have made a good film: I developed cramp, but bravely continued, and Tobin being a true gentleman stayed with me so we could cross the finish line together.'

Happy endings all round – roll on Chilmark's running club.

Clergy Notes for June

Our Songs of Praise last month was a great success! This was a new venture in more than one way. For a start, we met in the Reading Room rather than the church to remind ourselves that the church isn't just the building, but the people and that we all have our place outside in the community. The Reading Room proved to be a splendid place to meet, not least for the acoustics and the opportunity to have tea and cake before we started singing. That was also something new - having our social time before we began, rather than afterwards. The delicious refreshments may have energised us for our singing, and, also, meeting and chatting first seemed to help us feel confident in then singing together. Something else that was different was the involvement of those who chose the hymns - their favourites and those that meant something to them. It was wonderful to hear from people why their hymn was special to them and perhaps for some, saying something about faith in front of so many was new as well. Special thanks must go to the Janey, Patrick and Stephanie who set everything up, and to Janey, Stephanie, Lisbeth, Lynn and Chrissy for the delicious refreshments. And huge thanks to Sophie who played so splendidly and really gave the event such a wonderful atmosphere - such talent! There is already talk of a repeat performance - watch this space and think about your next choice of hymn!

Our next great event is the church fete on 18th June and I am sure that it will also be a great success, thanks to those who are working so hard on all the preparations.

You will see that on the service schedule our service on 19th June is at St. Leonard's, at Berwick St. Leonard. This is our annual opportunity to worship in this beautiful little church - if you haven't visited it yet, do come along. The service this year will be a modern, family-friendly service - something for everyone!

With every blessing for this joyful spring-tide,
Rev. Jane

Focus Point

In the week before Pentecost Sunday, the Archbishops of Canterbury and York invited churches to share in praying the Lord's Prayer daily with a special intention for the renewal of faith. Many will already pray the Lord's Prayer regularly, but the invitation to focus on the words in this way started me thinking about the prayer afresh. It is almost certainly the most well-known prayer in the church and beyond. Its words somehow seem to be embedded in our psyche and phrases, if not the whole prayer are known and used by those who might be surprised where they come from. Daily bread springs to mind, for example.

Some will have me speak about how the words of the

Lord's Prayer unites us back through the centuries with those first disciples who asked Jesus to teach them to pray and across the world now with all those who pray that prayer in so many different languages, whatever their denomination or way of worship. It is so well-known and yet so powerful. To quote the Archbishops: It is impossible to overstate the life-transforming power of the Lord's Prayer. It is a prayer that is reassuring enough to be on the lips of the dying and yet dangerous enough to be banned in cinemas. It is famous enough to be spoken each day by billions in hundreds of languages and yet intimate enough to draw us ever closer into friendship with Jesus Christ. It is simple enough to be memorised by small children and yet profound enough to sustain a whole lifetime of prayer. When we pray it with sincerity and with joy, there is no imagining the new ways in which God can use us to his glory.

More broadly, my reflections led me on to other ways in which we feel a sense of fellowship and unity with others. In our oh-so divided world, surely we need to find what unites us instead of what separates us. Within a community, or a church, a sense of shared history can unite. As I prepare to move to a new benefice, I know that I will be going into a place where I have no background and very little understanding, as yet, of the history of the place. Although I look forward to becoming part of the story there I have, perhaps, become more conscious of how not having that shared story can set someone apart - perhaps a useful thought for us as we meet new people in our community. Having a shared story can unite us, but it can also exclude those who do not share that story. How do we include them in our story; how do we help them to feel they belong? May we always be those who seek what unites us and what can draw us closer together, rather than those who hold tightly to that which can divide us.

Rev. Jane

Graham Southgate (Team Rector) writes:

The Reverend Jane Tailby, one of the Team Vicars for the Nadder Valley Benefice since 2009, has been appointed Vicar of the Watersmete Benefice, a group of six rural parishes in the Diocese of Peterborough and will take up her new appointment on 24th September 2016. Jane will be moving from the Nadder Valley in early September and will, of course, continue her duties here as Team Vicar until then.

Jane's "official" farewell service will take place at Saint Mary's Church in Dinton on Sunday 28th August at 11 a.m., for which there will be further information in due course - so please watch this space, and please put the date in your diary.

Whilst we shall be sad to see Jane go, we are very thankful to God for Jane's time here, and for all that she has achieved during her seven years as Team Vicar.

The Reverend Mark Hayter

After almost two years as Assistant Curate alongside the three members of the Nadder Valley Team Ministry, it looks as though The Reverend Mark Hayter will soon be coming to the end of his initial period of training.

The way of the Church of England is that clergy are always considered to be in the process of Continuing Ministerial Development. That said, I'm hoping that the Bishop of Salisbury will soon be able to confirm that Mark is to be licensed as an Associate Priest for the Nadder Valley Benefice.

A provisional date has been set for the Bishop of Ramsbury to licence Mark on Monday 11th July in Hindon Parish Church (Saint John the Baptist), beginning at 7 p.m. Please put the date in your diary.

Open Gardens

Opportunities abound this month to visit some of the Nadder Valley's beautiful gardens. On Sunday 12th June, 12 noon-5pm, Lord Margadale's gardens at Fonthill House, Fonthill Bishop, will be open in aid of a charity called Nystagmus Network. The charity helps provide support, awareness and research into the eye condition Nystagmus, an involuntary movement of eyes that often seriously reduces vision.

Tickets £6 per person, or £12 per car with two people or more. Children 12 & under free. Refreshments available.

Meanwhile, make a note in your diary for a memorable visit later in the month to the historic village of Dinton on Saturday 25th and Sunday 26th June, 2-6pm. You are invited to take a gentle stroll around a selection of some of Dinton's splendid gardens and to meet their owners and creators. Tickets will cost £5 per person and all proceeds will benefit St Mary's Church. There will be superb home made tea and cakes to enjoy at the old school house, a wide variety of plants for sale and, of course, the magnificent church itself will be open for viewing.

Where else would one rather be on a summer afternoon than in an English country garden?

Nadder Community Energy invites you to our second Green Drinks.

7.30pm Tuesday 14th June 2016,
The Benett Arms, Tisbury

We were delighted with the turnout of our first Green Drinks on 10th May. We explored the potential of hydroelectricity in the Nadder area, advertised our LED light bulb hire kit and had lots of inspiring conversations about energy challenges and how we could address them.

We are exploring ideas for other energy-related initiatives we can take forward, so please join us for our next Green Drinks on 14th June and share your ideas, or simply come along and have fun with like-minded people at the Benett Arms, Tisbury.

We will be having Green Drinks on every second Tuesday of the month at the Benett Arms so please pencil that date in your diary and we hope to see you there.

Hindon Surgery News

Registrations: since we came to Hindon in 2003, our list size has increased by 10% with an increase of 47% in those aged 65 and over. Older people need more medical care so this increase has caused disproportionately more work. We do a lot more in the practice without the need of hospital help, and before referring to hospital we do all the tests and management so that the hospital only has to do what only a hospital can do. We contact patients soon after hospital discharge (one reason for the latest expansion in our practice nursing team) and manage problems to a plan set by the hospital. These changes mean we do a lot more work and have a larger team working over double the hours.

This is all good enjoyable medicine and we intend to continue doing this and everything else (like same day access and continuity of care) that we are doing and that our patients like.

However, we can only do this for patients who live within our practice area. In the past we had a few patients who moved away, but not that far, who wanted to stay with us and we could accommodate this. But in recent months we have registered almost 90 new patients (about 4% of the total list) with many from outside our area. This uncontrolled increase is risking the quality of care we provide.

Practice areas are set for a number of reasons – not just to be able to avoid being swamped by demand but because all our support services are also local. Patients who live a long way away often do not see us as they should – they don't come for review appointments and present later when unwell. So having a GP far from home can be bad for your health, however good you feel they are when you eventually see them.

We are now unable to accept any new patients who live outside our practice area (visit www.hindonsurgery.co.uk for details) and existing patients who move away will have to register with their local GP. Anyone living within the practice area who wants to be looked after by us can still register. Patients who have previously moved outside the practice area who are already on our list may continue to be registered with us.

Dr Patrick Craig-McFeely

A message from Jill Wing: A huge thank you to all those who gave me such a warm and memorable send-off and to those who contributed to my wonderful presents. I am grateful that while working at Hindon Surgery, with such a great team, I have had the opportunity to meet friendly and interesting people and look forward to seeing many in the future. With Patrick and Sally's care, commitment and expertise I'm sure Hindon Surgery will continue to thrive. We are very fortunate. **Jill**

Tisbus

Tisbus has arranged some lovely summer outings for its members, starting on Wednesday 8th June with a lunch outing to The Café at Gold Hill Organics, Child Okeford. A small and friendly, locally-run next to The Art Stable, this is an ideal stop for light lunches. Excellent locally-sourced food with flavoursome twists, homemade cakes and generous portions, are all served with a variety of teas or freshly made coffees. A great place to relax and catch up with friends. The cost of this trip is £7.50 (children £3.75) plus the cost of your meal. Pick-ups start at 11am, returning at 2.30pm.

Later in the month, on Wednesday 22nd of June, Tisbus will be whisking its members off to The Charles Farris-Chandler Candle Factory in Mere. At the newly refurbished shop members can see the factory at work from a viewing platform and step onto the factory floor to see how candles have been made

with traditional beeswax by Charles Farris-Chandler since 1845. The factory visit will be followed with a lunch stop at The Walnut Tree Inn, also in Mere. The cost of this trip is £9 (children £4.50) plus the cost of your meal. Pick-ups start at 10am, returning 2.30pm. And finally, a heads up for Sunday 3rd July when Tisbus will be running another of its renowned mystery trips! I'd love to tell you about this but I

can't. However, I can tell you that these trips always prove very popular and you are guaranteed to enjoy yourself. The cost of this outing is £10 (children £5) with pick-ups starting at 11am, returning at 3.00pm.

To book any of our trips or to find out more about Tisbus simply call our administrator on 07500 802525.

Women Who Lunch

The next Women Who Lunch meeting is on Wednesday 15th June, at the Wyndham Arms in Dinton.

Our speaker is Pam Wyles whose talk is entitled The significance of Israel: 'This generation is living in interesting times in the pages of history. The Middle East is to the fore in everyone's mind; not a day goes by but that this area is in the news. In the midst of all this turmoil sits a tiny country no bigger than Wales, called Israel, with a population of six million, about the same number of people as in some large cities. I have discovered the immense significance of Israel over the last 40 years with many visits to see what makes her tick. Her achievements are truly amazing from being birthed in a day, nearly 70 years ago, to being a major player on the world's stage to-day. I hope you will come along and be surprised by a wonderful story of struggles and successes.'

We aim to meet at the Wyndham Arms at 11.30am so that the speaker begins to speak at 12 noon. Lunch is served at approximately 12.45pm. Following lunch there is time for questions - WWL will end at around 2pm. To book, please contact me at:

smebad@btinternet.com or on 01747 840600.

Thank you. **Sue Evans**

Road to Rio Challenge!

Fitness enthusiasts are being urged to join the Tisbury Sports Centre team for Wiltshire's Big Pledge: the Road to Rio Challenge. Participants can sign up to be part of the Bronze team challenge which is attempting to achieve a minimum distance of 3000K by either walking, running, swimming or cycling. The Challenge runs for 8 weeks starting on 4 June until 29 July.

South West Wilts Area Board spokesman Steve Harris said: "It would be fantastic to have as many local people in the Mere, Tisbury and Wilton community areas sign up and take the opportunity to keep fit and active whilst also competing with teams from other areas!" To sign up now, visit:

The Village Voice - Local Police

**Warminster Area
Community Policing Team
Tisbury Beat -
PCSO Vicky Huntley 6126**

April has shown a slight increase in incidents of reported Criminal Damage, from two offences to four. Two of these incidents relate to theft from vehicles in Beauty Spots, where vehicle windows were smashed in order to remove property (bags) left in view. When you are away from a vehicle, please remember to remove any valuables.

Local Crimes

14 May - Nadder Close, Tisbury – Criminal Damage: five vehicles in a car park had their windows smashed.

15 May - High Street, Hindon – Burglary: unknown suspect/s broke into two workshops; in one they stole high value power tools and in the other workshop it is not determined what was stolen.

Plus, one report of a theft of a purse from Tisbury Sports Centre and one report of a theft of an electrical fence unit.

Please note that websites such as www.immobilise.com and www.datatag.co.uk enable one to purchase security tags with individual security codes which, when registered, will assist the Police in identifying and returning discovered property.

We have also received a number of reports of Anti Social Behaviour relating to vehicles speeding within the village. These have been forwarded to local officers to be aware of. Whilst on patrol, looking for one particular vehicle, Pc Steve Porter stopped a young male riding a moped and found that he had no MOT. He was issued with two tickets, totalling £200 and given 3 penalty points. Please continue to report any issues.

As always, we welcome any feedback that you may have and it is important to hear your views on how we can find the balances and address the issues that affect your communities.

Please continue to leave your feedback at feedback@wiltshire.police.uk

Tisbury Community Safety Partnership

The next meeting, which will include the AGM, will be on Tuesday 14th June 2016 in the Elizabeth Hall, Tisbury at 6pm. The guest speaker will be Sheila Lupton of the Independent Visitor Scheme for children and young people. As usual members of the public and Community Groups are very welcome.
